**"WE SERVE OUR COMMUNITY"**

Volume 61

Issue 2

February 2012

## **LIONS MOTTO - WE SERVE**

**Lions Family,**

**We have started the year off with a successful dinner supporting the communities long standing Strauss Festival that runs each year at Elk Grove Park. The next several months have the Club very busy with TriTip BBQ's, Boy Scouts Blue and Gold, Eye Exams, our March our final Crab & Shrimp feed for the season and many more activities.**

**The Lions Club membership stands just under 60 and we show fifteen (15) or so members that have been unable to participate in our community ventures to date. Please check your calendar, pick some dates and plan to join in the Service functions we have coming up over the next several months. The more members that participate, the more we can get to know one another and enjoy the service time even more.**

**Remember if you have comments to bring to the Board, let a director know and come to a meeting. They generally run an hour on the 3<sup>rd</sup> Monday of the month. Also remember the Board Officer elections are coming up and if you are interested in holding a position, please ask to be nominated. The Club/Foundation can only operate with YOUR participation.**

**Happy Service,**

*Lion Rick*

*Lions are in 200 countries and geographic areas.*

*We have a dynamic history. We are best known for fighting blindness—it's part of our history as well as our work today. But we also volunteer for many different kinds of projects including disaster relief— across many borders. We serve youth. Our community projects often support local children and schools with new programs and resources. Internationally, we offer many programs.*
