

Looking Forward

A quote from my article in last months Stag.

“After our Dec. Crab Feed our Club’s working schedule is going to slow down.”

What was I thinking !!

Let me list the January to do events:

- Saturday 7th Senior Center Breakfast and the Pig Bowl Crab Feed.
- Monday 9th Dinner meeting and Student Speaker Contest.
- Monday 16th Hoops for Hunger and the Board Meeting.
- Saturday 21st Zone Crab Feed in Galt.
- Monday 23rd Regular Dinner meeting.
- Saturday 28th Elk Grove Hi Girls Basketball Breakfast

Maybe next month things will slow down.

Well it is the start of the second half of our fiscal year. Looking back I can recognize all the great things that the Club has accomplished during the past six months. And I know that we can match or exceed that effort the next six months.

*Lion David Ogden
Our President*

And we need all the club members to help us reach our goal of helping people in the community. You are the eyes and ears of the club and it is through you that we can become aware

of the needs of individuals and groups in the community. Case in point. Lion Heinz Leonhardt, while visiting a local business became aware of a need for toys for the Pediatric Oncology Dept. of Sutter Memorial Hospital. He brought the information back to the club. And it was through this that we were able to deliver almost \$600 of specialized toys for 25 infant cribs last Saturday to the hospital.

Happy New Year and may 2006 bring you happiness.

Toys to the Children's Ward

Lions David Ogden and Heinz Leonhardt are helping Debbie Taylor deliver toys to the Children Ward.

Tournament of Roses Parade

Since 1992, Lions Clubs International has had a float in the New Year's Day Tournament of Roses Parade in Pasadena, California. Two of our entries, in 1993 and 1994, won awards for the most beautiful floats in the parade. But all entries have been winners, presenting Lions an opportunity to promote our service activities to people worldwide who watch the float each year.

“THE INTERNET – HERO OR VILLAIN”

This thought provoking topic will give our youth the opportunity to delve into the many facets of the electronic age we live in today. While the Internet has provided us with a tool to help us in our everyday living, we need to asses its future impact on our lives.

The contest is being held in conjunction with our regular meeting in order to offer you an opportunity to see our youth, leaders of tomorrow, as they compete at the club level before proceeding through, Zone, District, Region and on up the line to International. Participants are from Elk Grove, Valley and Sheldon High Schools.

The first place at the club level receives \$50., and second through fourth receive \$25.

Special Note: Doors will be closed and no one will be permitted to enter or exit during the speeches. And the kitchen crew will be asked to keep dinner preparations to be as quite as possible. These precautions are to allow the contestants with minimal distractions. [*There will be three minutes between each speech.*]
