“WE SERVE OUR COMMUNITY”

Volume 52

Issue Number 3

September 2006

*Lion President Tim Watts*

*“You want it WHEN?”*

August proved to be a busy month again for the Elk Grove Lions. Along with our regular activity, numerous extras have occurred; we have supported 16 other activities

at our Board of Director meetings each 3rd Monday of each month.

Lion David Simpson provides us the monthly “Stag” Bulletin by tracking breaking news and ongoing developments in our local organization as well as Zone and District levels. Any information to highlight its heroes and successes, or to focus on the solutions and revolutions of our club is greatly appreciated.

Lion’s goals is: “To Serve”. Thus, bringing brighter futures for our children, families and communities today and tomorrow. Plan to participate and provide your ideas making the Elk Grove Lion’s a continued success.

*Lion President Tim*

## Child Spree 2006

We is cooking!

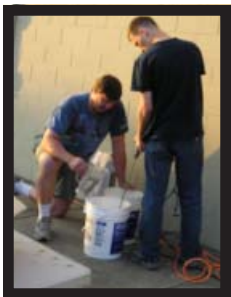

He is Not Cooking!

Their making Batter?

Let's see, if we mix a gallon of white with yellow we'll get pancakes?

Or is it that a "cup to a cup"?

What the "heck" are they talking about?

It's that time of year again, and stores are already starting their fall sales in hopes of getting kids into the latest back-to-school gear. But not all parents can afford to shop.

Because of this, Mervyn's California teamed up on an early Saturday morning with the Elk Grove Unified School District for its sixth annual Child Spree, which took place at the Elk Grove Mervyn's store on Bond Road.

This year's Child Spree gave away nearly \$800,000 in merchandise to needy kids at Mervyn's stores in 14 states. More than 15,000 kids received free clothes and school supplies from Mervyn's and various other local stores.

At the Elk Grove store, Mervyn's donated more than \$3,000 in clothing to 85 children. Each child roamed the store with a parent volunteer and selected about \$120 worth of new clothing and shoes.

While the kids were shopping, the Lions were preparing a compete pancake breakfast that was enjoyed by the kids and their chaperons.

Elk Grove Lions make a difference!

# Robert J. Fite Elementary

August 12, 2006

Dear Members of the Elk Grove Lions Club:

Recently, you approved the purchase of glasses for two of my students. I wanted to take a moment to thank you, and remind you that the work you do touches real lives and makes a difference in the world.

Benjamin and Julian are wonderful boys. You would enjoy their quiet, good manners and their engaging smiles. They work hard and play hard at school and are the kind of students any teacher would love to have. Their mother is a single mom who works at K-Mart. Her insurance does not include much in the way of vision coverage, so when she found out that two of her three children needed glasses; it was a real financial crisis for her. She told me on the first day of school that she was trying to find the money and wanted to get the glasses as soon as she could. The difficulty in her life was compounded by the fact that they had a house fire at their home recently. I wish you could have seen her face when I told her that I had heard that the Lions Club had a program for getting glasses for children, and that I would look into it for her.

These children also struggle with reading, and I am quite sure the glasses will make a difference in this as well. Research shows that children who do not read fluently by the end of third grade have a much slimmer chance of being successful in life. Getting Benjamin and Julian glasses in second grade may seem like a small thing to you, but it could quite literally make all the difference to them. So next time you flip a pancake or sell a raffle ticket, remember you are not just doing a generally good thing, you are doing something that might make a dramatic difference in Benjamin and Julian's lives.

So, thank you for caring, thank you for reaching out to children you have never even met. Keep up your good work!

Sincerely Yours,

Wendy Weller
